

ATTENTION: New Leadership Needed

The current Friends of the Library President and Vice President are leaving. For FOL and Booksales to continue these positions **MUST** be filled, if not we are in danger of **DISBANDING**.

This could mean;

- **NO** book sales = loss of income for the Library
- **LOSS** of income for the Library = increase funding request to the town
- **INCREASED** funding request to the town = **increased taxes**
- **LOSS** of the Chapel that houses the Book sales
- FOL has active volunteers that are supportive, but we **NEED** new leadership to continue our existence to provide outside funding to our Library.

Please call or text Laurie Rogers @ (860) 208-0711 for more information.
