

Garden & Kindness Club News

The Porter Garden & Kindness Club will plan and plant the HW Porter School's community garden on the school grounds this spring. Since 2013, students plant new crops vegetables and tend to the perennials such as raspberries, strawberries, and blackberries. This spring, we will be changing the purpose of the garden from primarily a fruit and vegetable garden to a flower garden. Depending on the types of flowers the children decide to plant, the flowers will be harvested in late spring and/or fall to fill vases as a way to spread kindness through the school community. The garden club is open to HW Porter students in kindergarten through eighth grade. This session will meet from 3:15 until 4:45 PM on the following dates: Thursdays, May 3, 17, & 31, rain or shine. Please complete the permission slip if your child is interested in participating. Please return completed permission slips to Cheri Rivard-Lentz in the main office. If you have questions or comments please email cherir@ahmyouth.org or call HW Porter School 860-228-9493 x179.
