**SPACE IS LIMITED SO PLEASE CALL TODAY**

The purpose of this screening is to collect information about each preschooler's early development in the areas of cognition, communication, motor functioning, and social interaction. This will help us to determine whether your child needs any special services in order to prepare for school success.

**Individual screening appointments may be made by calling 860-228-0585.**

**Our screening dates/times are limited, so please call as soon as you can.**

Parents can also include their children in the Preschool Lottery for possible placement in the Porter Preschool Program. The lottery will be held in April (time/date to be determined).

For more information, please call 860-228-0585.

***Important: Whether or not you think you will want your child to attend Porter's preschool program, please consider attending the screening.***
