

8th GRADERS interested in being on the Yearbook Committee 2016 - 2017

Our first meeting is on Monday, September 19th
From 3:25- 4:50 (****you MUST have a ride at 4:50pm)

We will meet in the lobby area outside the main office at 3:25 (Ms. Lawton needs to put her students on the bus, then we'll walk up to room 307 to have our meetings.

Please sign up if you are **available after school on the meeting dates listed on the attached permission slip form. Mostly we are meeting on Mondays, but also on a few Wednesdays through the month of March.** If you are committed to other things often after school then you probably won't be able to do this, but if your commitment only lasts a couple of months then write that note to me on the next page. **I need dedicated, responsible, polite 8th grade students to work cooperatively with other 8th graders in making decisions about the background colors on each page and the font style, and to share some responsibility in taking some pictures.** There are some cameras owned by the school that you can borrow from me during approved days/times to take pictures.

If you are available to stay after additional days (we can discuss which days work), other than our scheduled meeting days on the next page, I can stay until 4:30pm some days to take pictures with you at sporting events, afterschool clubs, the dress rehearsal play practices. There are also school events we will take pictures at like assemblies, band practice, classroom, cafeteria, recess and at specialist rooms. Also many, many candid!!

If you have any question please contact Ms. Lawton at llawton@hwporter.org

If you are interested in joining the Yearbook Committee, that will run mid- September through March 20th please fill out this permission slip form below and **return it to the main office by next Tuesday, September 13th in the box on the counter labeled Yearbook Committee Sign Up. Please print neatly.**

If there is weather causing us to close school early then our after school meeting will be cancelled, and I would have to look into if/whether we can reschedule.
