

Columbia Lake Clean Up

November 5, 2016
8:00 AM - 2:00 PM

Join us and a team of volunteers and divers to clean the outer most edges of the lake and pull out old debris. Help preserve the quality of Columbia Lake!

If you have questions or would like to participate please contact
james.drabek64@gmail.com

Did You Know?

- Hundreds of thousand of dollars are spent by the surrounding towns and lake residents to fight invasive species outbreaks?

How Can We Help?

- Inspect, remove, drain & dry your marine equipment before launching into Columbia Lake!
- Reduce the use of fertilizers for lawn care
- Maintain, repair, and monitor septic systems
- Preserve open space in watershed areas
