December 7, 2015

Dear Parents, Guardians and Students:

As the holiday season approaches students have been asking if they are able to wear spirited gear to school. Children are excited for this event, but we need to wait until the date is closer. There is a full week of spirit week planned on December 14th by the Student Counsel. Then, to encourage positive school climate, students and staff have the option to wear holiday gear to school from December 21st-23rd but under certain conditions:

- No face paint
- No masks
- No props
- Must be appropriate as far as covering the body
- Must have proper foot wear

Students may wear holiday hats, clothing and jewelry, but please note that if it is inappropriate for the activity the student will be asked to remove the item(s) for the activity. Please take into consideration that all students will still have recess and students may have PE. We cannot be responsible for torn or damaged items so please consider the accessories. Please also be aware that if a staff member considers any part of the gear to be inappropriate they will ask the student to remove it. We want to show our spirit at school and want to be sure that it is a safe, fun, and productive day.

Thank you,

Alyssa Gwinnell
Principal
