

Columbia Preschool Screening

All public school systems in Connecticut are responsible for the identification of children who may be eligible to receive special education services. The early childhood team in Columbia offers preschool developmental screenings for current resident children.

Horace W. Porter School Preschool team will be offering a developmental screening on Monday, 10/22/2018 for children currently residing in Columbia. To participate in this screening, all children must be at least 3 years old by 12/31/2018.

Please contact Deb Dupuis at 860-228-0585 to schedule a screening time and if you have any questions. Please pass this information on to your friends, neighbors, etc.
