

## Elementary Music Newsletter

The students in the elementary music program are doing a great job. The Preschool students are learning to play more Preschool Prodigies tunes and rhythm pieces on the desk bells, glockenspiel and gathering drums. The Kindergarten and first grade students have learned to play accompaniment and melody on the glockenspiel while singing folk songs. The second grade students are being introduced to the recorder in order to prepare for learning recorder in third grade. The third and fourth grade students have been learning to play recorder tunes from the Prodigies program and from a series of 9 rounds. The fourth grade band is learning to play rounds in preparation for doing another recording. This recording is meant to help next year's fourth grade learn to play the rounds using this recording as an example. The band is also preparing to play a short tune in the next assembly on June 15 at @ 1:15. Thank you for supporting the music program.
