SCHOOL YEAR _____

Before School Care Enrollment Form

The Before School Care program at Horace W. Porter School is free of charge to families with children at Porter school. The program begins at 7:30am until 8:15am when the first bell rings. On late opening days, the Before School Care program begins at 9am until 9:50am when school begins. The front door monitor is on duty to let the children into the building, then the children report directly to the cafeteria.

Our expectation is that children are well behaved and listen to the adults in the program. We do have activities such as coloring and games if the children choose to participate. If children misbehave they will receive a consequence just as they would if they were in the classroom; constant misbehavior may result in being exited from the program.
