

The logo features the word "STEAM" in large, blue, 3D-style letters. Each letter is set against a different colored background with icons: 'S' (red, science icons), 'T' (blue, technology icons), 'E' (orange, engineering icons), 'A' (green, arts icons), and 'M' (purple, mathematics icons). Below the letters, the words "SCIENCE TECHNOLOGY ENGINEERING" are written in red, blue, orange, and purple respectively, and "ARTS MATHEMATICS" are written in green and purple respectively.

SCIENCE TECHNOLOGY ENGINEERING
ARTS MATHEMATICS

Our first STEAM Day was a huge success! Thank you to everyone who helped support this fabulous day full of exploration which included many hands on activities connected to science, technology, engineering, art, and math. Students also had the opportunity to attend Bubblemania with Casey Carle to learn all about the science of bubbles. A special thank you to our 4th grade Girl Scout Troop who put their experience and knowledge with robotics on display to share. We can't forget Mrs. Bacon and Mrs. Hall who created our Nature Station which included live animals for up close and personal viewing as well as other specimens to observe. We are already looking forward to next year 😊
